## ABOUT INNER ART INTERIORS

Inner Art is one of the unique entities in interior industry where your ideas take real shape and your emotions gets expression.

Our entire way of working is shaped by what you need and want. We are here to make your job easier with efficiency and quality. Inner Art strives professionally to make sure your project finished within your budget with a mark of satisfaction. Inner Art feels proud to offer its excellent professional services to its clients in interior and architectures design consultancy, customized furniture, planning and execution of commercial and residential projects either on turnkey basis or only consultancy.

Inner Art started its journey from U.A.E (Dubai) in 2006 and entered the territories of Pakistan in 2007 and established an office at Lahore. Inner Art was also registered in United Kingdom (Berkshire, London) in 2008. Then Inner Art has also set up an office at Islamabad, the capital of Pakistan in 2013.

It is a matter of great pride and grace of God that Inner Art has also started its operation in Oman (Masqat) from September 2013 as "Inner Art Engineering & Services LLC". Inner Art at Oman will also provide its professional services in construction, engineering & in equipments & machinery besides design consultancy, planning & execution of projects. Inner Art at Oman will deliver outstanding services of Interiors and construction for residential villas, apartments, shopping malls, plazas, shops, outlets, hotels, restaurants, cafes, hospitals, educational institutes, offices and other work places.

The management of Inner Art upholds quality, uniqueness and customers satisfaction as prime principles of business. Inner Art is fully equipped with professional, qualified & experienced team of interior designers, architects, project managers and other technical staff to uphold these set principles.

Inner Art Interior is Certified By: ISO 9001 - 2008, Lahore Chamber of Commerce, and PEC
